JULY

Get cosy for a cause!

No matter where you are, you can join the PJ party this July, to raise awareness and funds to help Aussie kids in care!

Rock your favourite winter warmers for the day and become part of our team of pyjama wearing super heroes, who are helping foster kids with **BIG** dreams.

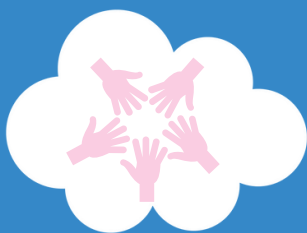

Why should my school get involved?

School Spirit!

National Pyjama Day is an awesome opportunity to have fun together, as a class or a whole school. Bonus points if you host a Pyjama Parade, where everyone models their PJ looks!

Engagement with the Broader Community

Get the community involved! Ask parents, teachers and friends of the school to jump on the PJ train. You'll be joining a community of people who are just as passionate about making a difference for kids in care.

Showing Support for Foster Children

Whether you know it or not, your school will have a connection to foster children. And showing your support will make a difference to them!

Giving Back Feels Good - Doesn't it?

Some children (and adults) could never imagine the challenges that some kids in care can face. You can lead by example and show the entire school body that giving back to those who need it, is a great thing to do but it can also be a whole heap of fun!

There's No Party like a Pyjama Party!

We have a tonne of resources on our website to help make your PJ party, one to remember! Head to NationalPyjamaDay.com to find trivia, wordsearches, colouring in, DIY bunting and so much more!

We'd love to come aboard!
